---

Sterling Tree Studio is a wholly owned division of Carson's Inc, a 60 year-old manufacturer of upholstered seating. We specialize in seating products for multiple market segments within the contract furniture industry. We are strongly committed to the highest standards for our products, by maintaining full control of all manufacturing processes including frame production. This control is intended not only to keep jobs at home but to enhance the ability to better respond and service our customers.

Corporate – Retail Store Planning – Universities – Healthcare – Stadiums/Arenas
